

PARKS council → Sept. 7

Hello Mr. Cannon,

My name is Sajani Allen and I am a Senior Juliette Girl Scout working on my Gold Award. For my Gold Award, I would like to install a Female Veteran statute to address the issue of gender inequality in representation of our female soldiers.

I would like to install the statue on the North East corner of Dan Jones and 100 South. If that is not a good spot, perhaps you can recommend another place?

I have some questions for you regarding the statue installation.

1. Do I need permits?

If so, what is the contact information for those?

2. Do I have permission to install the statue?

If not, what can I do to get permission?

3. Do you have any contact information from the WWII statue that I may need?

I would like you to know that I have the support of the Avon Kiwanis club, American Legion Post 64, and the Women's Auxiliary of Post 145. I did an Ice cream social fund raiser in April and have plans for many more in the future. If you have any advice or information for me, I would love to hear it.

Thank you for your time today,

Sajani Allen
