

Economic Development Commission Annual Report – 2022

The Economic Development Commission met four times in 2022. The purpose of these meetings was to approve and send forward recommendations to the Town Council regarding bonds to be utilized by developers within the town limits. The bonds that were studied by the EDC included the following:

Avon Landing - Resolution 2022-01
Chicago Industrial – Resolution 2022-03

Both of these resolutions were forwarded to the Council with positive recommendations.

The commission received an update on all current projects from the Director of Economic Development, Mr. John Taylor. The updates are provided so that the members will not be surprised by any resolution that may come before them in the future. The projects that received the most discussion include:

Avon Landing
Avon Logistics
Chicago Industrial
DRG (Reagan Logistics)
Easton Grey
Rise

At the January 26th meeting, the Town's Counsel introduced a Remote Meeting Policy to the Commissioners. After a lengthy discussion, the Commissioners adopted Resolution 2022-02. This will allow the Commission to hold meetings remotely in the event a quorum cannot be met.

Industrial Development in Avon during 2022 was in excess of \$150,000,000.
