Re: 2023 Street Sweeping Bids

The Town has a triennial program for having the roads swept. Our previous contract expired at the end of 2022. This year the town's street sweeping program has received two bids; one from Sweeping Corp of America for \$40,890 per full sweep and the other from the lowest-responsive bidder, Toler Street Sweeping LLC. Hoosier Equipment was asked but did not submit a bid.

Toler Street Sweeping's bid is for \$35,000.00 per full sweep; \$210,000.00 for six cycles over three years.

Staff recommends approving Toler Street Sweeping's bid in the amount of \$210,000.00. Funding will be taken from MVH budget.

If you have any questions about this project, please let me know.
