

TOWN OF AVON, INDIANA

PEDESTRIAN CONNECTION PLAN

The Avon Pedestrian Connection Plan encourages a pedestrian friendly environment for community members and visitors to enjoy. The plan outlines safe routes and connects residential subdivisions to community amenities. Corresponding colors signify the connected sections of Avon. The map's symbology depicts areas of safe crossings, connected sidewalks and pathways. Subdivisions without sidewalks are labeled as NS and connect to amenities through internal roads. Pedestrian crossings represent locations for individuals to use crosswalks or pedestrian signals. Routes provided may be indirect; however, they represent the safest routes for accessing walkable areas, commercial and recreational opportunities. Not only does the plan create safe walkable environments, but it guides future pedestrian improvements as the Town of Avon continues to expand.

Legend

- Pedestrian Crossings
- Sidewalk/Trail 1 Side
- Sidewalk/Trail Both Sides
- New Construction
- Parcels
